(e) The principal installments of the Bonds are subject to prepayment at the option of the City at any time, in whole or in part, at a prepayment price of par plus accrued interest and accrued Administrative Fee, if any, to the prepayment date and in such case the remaining principal of the Bonds shall continue to mature in installments calculated using the percentages shown in Section 2(c) above.

Pursuant to R.S. 39:505(B), the City has determined to sell the Bonds at a private sale without necessity of publication of a notice of sale. It is understood that the purchase price of the Bonds will be paid by the Department to the City in installments, in the manner and under the terms and conditions set forth in the Loan Agreement.
(i) The "Reserve Fund Requirement" for the Bonds shall mean one-half of the highest amount of principal, interest and Administrative Fee on the Bonds due in any future Bond Year (taking into consideration any principal forgiveness given by the Department), which shall be deposited by the City in an account in the Reserve Fund to be designated the "Series 2022 Account," and maintained in the Reserve Fund solely to secure the Bonds. No changes are made with respect to the required balance in the Contingencies Fund.

(j) No proceeds of the Bonds will be used to refund any outstanding obligations.

(k) The parity requirements of the Outstanding Parity Bond Ordinances are being complied with in connection with the issuance of the Bonds, and a parity certification in substantially the form attached hereto as Exhibit C will be delivered at the time of delivery of the Bonds.
