SECTION 3.2 Registration by Registrar. No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Ordinance unless and until a certificate of registration on such Bond substantially in the form set forth in Exhibit "B" hereto shall have been duly executed on behalf of the Registrar by a duly authorized signatory, and such executed certificate of the Registrar upon any such Bond shall be conclusive evidence that such Bond has been executed, registered and delivered under this Bond Ordinance.

The Issuer shall not take any action or fail to take any action, nor shall it permit at any time or times any of the proceeds of the Bonds or any other funds of the Issuer to be used directly or indirectly to acquire any securities or obligations the acquisition of which, would cause any Bond to be an "arbitrage bond" as defined in the Code or would result in the inclusion of the interest on any Bond in "gross income" under the Code, including without limitation, the failure to comply with the limitation on investment of the proceeds of the Bonds, the payment of any required rebate of arbitrage earnings to the United States of America, or the use of the proceeds of the Bonds in a manner which would cause the Bonds to be "private activity bonds" under the Code.

SECTION 7.3. **Accounting Requirements.** So long as any of the Bonds are outstanding and unpaid in principal, premium, if any, or interest, the Issuer shall maintain and keep proper books of records and accounts separate and apart from all other records and accounts in which shall be made full and correct entries of all transactions relating to the Project and shall cause the same to be performed relative to the application of amounts deposited in each fund established or maintained hereunder.

(d) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision of this Bond Ordinance, or to insert such provisions clarifying matters or questions arising under this Bond Ordinance as are necessary or desirable and are not contrary to or inconsistent with this Bond Ordinance as theretofore in effect.

SECTION 8.2. Supplemental Ordinances Effective With Consent of Owners. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any outstanding Bond, or of any installment of principal or interest thereon or a reduction in the principal amount or the redemption price thereof, or in the rate of interest thereon, without the consent of the Owner of such Bond. No such amendment or modification or shall reduce the percentages of Bonds the consent of the Owners of which is required to effect any such modification or amendment, or change the obligation of the Issuer to levy the Tax for the payment of the Bonds as provided herein, without the consent of the Owners of all of the Bonds then outstanding. For the purposes of this section, no Bonds shall be deemed to be affected by a modification or amendment of this Bond Ordinance if the same adversely affects or diminishes the rights of the Owners of said Bonds.

ARTICLE IX
SECTION 9.1. **Issuance of Refunding Bonds and Additional Parity Obligations.** The Bonds shall enjoy complete parity of lien on the Revenues despite the fact that any of the Bonds may be delivered at an earlier date than any other of the Bonds. The Issuer shall issue no other bonds or obligations of any kind or nature payable from or enjoying a lien on the Revenues having priority over or parity with the Bonds, except under the following conditions:

(a) The Bonds or any part thereof, including interest and redemption premiums thereon, may be refunded and the bonds so issued shall enjoy complete equality of lien with the portion of the Bonds which is not refunded, if there be any, and the refunding bonds shall continue to enjoy whatever priority of lien over subsequent issues that may have been enjoyed by the Bonds refunded, provided, however, that if only a portion of Bonds outstanding is so refunded and the refunding bonds require total principal and interest payments during any Fiscal Year in excess of the principal and interest which would have been required in such Fiscal Year to any of the Bonds refunded thereby, then such Bonds may not be refunded unless the requirements of Section 9.1(b) have been met.

(b) Additional Parity Obligations, including any other pari passu additional bonds as may at any later date be authorized by the Issuer or otherwise, may also be issued, and such Additional Parity Obligations shall be on a parity with the Bonds herein authorized if all of the following conditions are met:

(i) The Revenues for the Fiscal Year immediately preceding the proposed issuance of the Additional Parity Obligations must have been not less than one and twenty-five hundredths (1.25) times the highest combined principal and interest requirements for any succeeding Fiscal Year period on all the Bonds, including any Additional Parity Obligations theretofore issued and then outstanding, and any other bonds or other obligations whatsoever then outstanding which are payable from the Revenues (but not including bonds which have been refunded or provision otherwise made for their full payment and redemption) and on all the Additional Parity Obligations so proposed to be issued;

(ii) The payments to be made into the various funds as described hereinafter must be current;

(iii) The existence of the facts required by paragraphs (i) and (ii) above must be determined and certified to in writing by an Authorized Representative of the Issuer; and
(iv) The Additional Parity Obligations so proposed to be issued must be payable as to principal on November 1 of each year in which principal falls due, beginning not later than two (2) years from the date of issuance of said Additional Parity Obligations and payable as to interest on February 1 and March 1 of each year.

Where such execution is by an officer of a corporation or association or a member of a partnership, on behalf of such corporation, association or partnership, such certificate or affidavit shall also constitute sufficient proof of his authority;

(B) the ownership of Bonds and the amount, numbers and other identification, and date of owning the same shall be proved by the registration books.
